Summer is just around the corner and for most families that means searching for camps and activities to keep their child engaged, active, safe and entertained for the summer. But for families with children who have special needs this can be hard. We also want to know that the camp is inclusive and can accommodate their special needs.

That's why we are working on adding a list of Camp Search Tools/Camps to the resources we make available to our clients and community.

While this list is by no means all inclusive we wanted to share it with you as you begin your camp search. If you have a camp or resource you would like us to add please reach out.
